Recommendation Letter

It is with great honor that the Ministry of Youth and Sports recommends the Somali Archery Federation for their participation in archery athletics programs in Somalia. The Federation has earned international recognition from the World Archery (WA), Federation of African Archery (FAA), and Arab Archery Federation (AAF) for their exceptional performance in Somali sports and the surrounding region.

As the Ministry of Youth and Sports we believe that the election of the new leaders of the Somali Archery Federation, namely:

1. Abdullahi Abow Hussein (president)
2. Abdihakim Sharif Ibrahim (secretary general )

are experts in sports who have been in the field for a long time and they will shine in the responsibility given to them. We hope that the World Archery associations will help, and we as a ministry are ready to stand with the newly elected personals.

As a minister I look forward to working with you not only to develop closer relations but also to concert our effort In the cause of achievement and success of the SAF.

On behalf of my team, and sports colleagues, we extend our congratulations to the newly elected authorities of the SAF and pledge to work closely together in the future.

Best regards,

H.E Mohamed Barre Mohamud

Minister of the ministry of Youth and Sports
